Skookum Hosts NW Marked 3D Sectional

For the two dozen people who showed up, Skookum Archers showed us a great time at the Northwest Sectional Marked 3D. The weather was GREAT, with the mornings starting out cool and the day rapidly warming up, but no wind and NO precipitation. Registration went smoothly, and the event started on time with a 9:00 AM shotgun start.

With so few archers on the course, we didn't contend with any backups or slow groups, and finished shooting our 30 targets of the day by 12:30 PM. The catered gourmet hot-dogs, with choice of meat style, mustard version, and onions or sauerkraut toppings went down well for the hungry crew.

Sunday was just as nice, and if anything we moved even more quickly through the range, and my group had finished by noon. Due to late coordination between the host club, NFAA Director and NFAA Headquarters, the awards will be mailed directly to each recipient. With 30 targets each day, scoring 12-10-8-5, 360 points were possible each day. There were some fine scores shot, led by Kit Pacheco with $332 + 326 = 658$ to win Adult Male Freestyle, and Rick Morgan scoring $330 + 328 = 658$ to take Senior Male Freestyle. Full results are inside this issue.

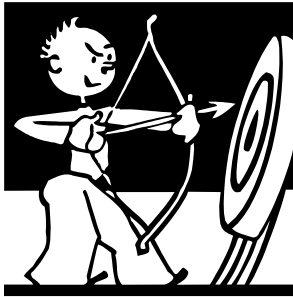

Below: This Alligator won't be going anywhere with three good shots in it!

WSAA PRESIDENT: Ed Forslof

NOPE WE DID NOT FIND SOMEONE TO HELP WITH NASP YET, I HOPE YOU ARE THINKING HARD ABOUT THIS.....OUR PROGRAM IS BUILDING STEAM AND CAN USE EXTRA HELP.

HAVE YOU HEARD THE GOOD NEWS? OUR IRS 501(c)(3) STATUS HAS BEEN APPROVED EFFECTIVE NOVEMBER 2010.....YAHOOOOO! THANKS TO RAY CRISP, LINDA & TC PARKER, AND AMY JONES FOR THE HOURS OF WORK THEY VOLUNTEERED TO MAKE IT HAPPEN.....THANKS SO VERY MUCH.

This past weekend we set a lot of records for a State Championship. Evergreen Archers hosted the WSAA FITA Field Championship. Those individuals who participated had a very exciting time. The weather was in the mid 80's on Saturday and high 70's on Sunday; the wind was moderate and provided good cooling. Evergreen's Chris Bohr and Ed Gomez set up an amazing course, none of which was on any of our NFAA Field shooting lanes. The set up consisted of a 24-target course through the woods, using our 52" diameter foam butts on a very ingenious wood frame. Saturday was unmarked distance with a 55-meter maximum, using four target face sizes: 20, 40, 60 & 80 cm. Sunday was marked distance on the same 24-target course but with adjustments to the shooting stakes, to 60 meters with the same faces. Three arrows per target scoring 1, 2, 3, 4, 5, & hopefully 6. It is a very fun round to shoot, very similar to NFAA Field but with the metric twist and the unmarked course on Saturday. Chris and Ed were able to incorporate some near vertical shots, making ranging very tough. Well enough about all of that, you missed a very exciting weekend of shooting, hopefully next year you can put all the excuses away and plan on trying it out. If you have questions about this round talk to Ed Forslof, Wade Moore, Bill Young, Paul Tucker, Wyndell Wilhelm, Wes Wilhelm, Mike Miller, Katelyn Keelen, Eva Hevesi and Dale Tucker, Paul's dad. Every one of these shooters set both one-day and two-day records, and headed home with first place plaques each and every one of them.....oh by the way they were the only ones who did not have an excuse for not being there. Give these 10 folks a bow and scrape the ground and commend them.

The next big event for WSAA is the annual convention in October; our host this year is Skookum Archers in Puyallup. The **Annual Convention is October 21, 22, 23**, the folks at Skookum are planning a host of activities to keep us all entertained and auctions to take home a car load of stuff and help fund the convention. So make your plans to attend. Each Club has representation dependent on the number of WSAA adult members, the more members the more delegates, pretty simple. The business conducted at the meeting includes reports from all Officers and Trustees, setting the Tournament calendar for the next year and electing Officers for next year. Clubs please send your delegates, it is critical to have the members representing your Club or Shop during the Calendar process. It is very dynamic and is definitely not cast in stone prior to the meeting. Shop owners, can't get away yourself and leave the shop in someone else's hands, find a WSAA member from a local club and send that person in your place. For those who may not be interested in the meeting portion of the event at least consider attending the Saturday night Banquet and awards ceremony, hey maybe you are getting an award. Mark your calendars right now and get the day off.

YOU MUST ATTEND TO HAVE A VOICE...NO PROXY VOTES

Please please please consider volunteering help NASP! GOTTA GO!! COME ON GET INVOLVED!!!! IT IS YOUR SPORT AND CLUB, HELP MAKE A DIFFERENCE!!

TOURNAMENT COMMUNITY NEWS

ATTENTION CLUBS AND SHOPS

As you have heard, we are starting to work on the 2012 WSAA Calendar of Events. Known dates for National and Sectional events have already been posted on the Calendar on the WSAA Forum, along with proposed dates for WSAA / Washington State Championship tournaments.

Please email your dates to Kent White (kjwhfsd@comcast.net) and to Bryan Dissen (mightybison@yahoo.com) so they can post your dates on the calendar. As soon as we get the emails we will post them. You can then see conflicts and work them out with the other Club or Shop involved. Then send an email of the changes you want and we will make them. Hopefully we can have the conflicts worked out before convention.

Several organizations have already submitted their choices, including Capitol City, Grays Harbor, Evergreen, Wapiti, Wilderness, Silver Arrow, Whidbey, Lucky Shot, and Cedar River. Check the "2012 Calendar" thread on The Forum to see what dates are still open, and get your events added to the list or make adjustments.

Gerald Hickman..... An interview with Archery Talk Forum ... Thank you for your time and sharing this with us.

WHEN AND WHERE DID YOU FIRST START ARCHERY? My wife and I started in 1959. I was a career Navy man and got assigned to a defense special weapons base in Albuquerque NM. I had always thought bowhunting would be neat so I found Harold Groves in the yellow pages. He made the Groves Spitfire bows right there in Albuquerque. They were a great bow. I worked part time for him. Harold taught me how to make strings, so I made them for him and worked to pay for my first bow, for me and my wife. Incidentally, my wife is a renowned archer. She has won the Redding Ca. shoot to many times t to count. (I think 9 times) She has won the NFAA Nationals 9 times. (She shoots compound freestyle Master Senior)

WHO HELPED YOU GET STARTED? Harold Groves. He was, at the time, the one who knew all things. He was a craftsman and a good shot with a bow. He gave me a lot of good pointers. He was the one a lot of people looked up to for bow knowledge. He taught me a lot. My first bow was a Groves Spitfire. It was a 69" 41 lb bow and I shot Easton 24SRTX 1816 28". (I had a half doz.)

WHEN WAS YOUR FIRST COMPETITION? My first competition was the State Target in Los Alamos NM. I had been shooting for a whole 3 months when I was encouraged to go. I won the state championship shooting instinctive and beat all of the freestyle shooters also. I was a greenhorn and did not realize the magnitude of that.

CHANGES IN EQUIPMENT THRU OUT YOUR CAREER (RECURVE, COMPOUND)? It is hard to keep up with the changes that occurred back then. I know that the first compound I saw was about 1969 and I told the guy that I did not have an oil can big enough to keep it lubricated. I also told him that they would not catch on. Goes to show ya how smart I am...

MOST MEMORABLE SHOTS (GREAT TIME AND/OR GREAT SHOOTING)? Shooting Redding with my recurve and I have won Redding every time I have shot recurve in the senior category.

MOST MEMORABLE PERSON/S?.....I would have to say, David Hughes. I knew who he was in the 60's and I was never able to get the time off to shoot with him in either Nationals or Sectionals. I don't know if I could have beat him (probably not), but his record is something to behold.....Also Earl Hoyt was a personal friend of mine. He was the most knowledgeable man I have known. My wife and I shot for Earl back in the 60's. He made a great bow (Pro Medalist)...

DO FAMILY MEMBERS SHOOT AS WELL? Yes; almost all of my family members have shot at one time or another. My Daughter won the State field a few years ago. My Grandson Tanner has won the Nationals twice as a cub and once as a youth.

ADVICE TO GIVE A YOUNG ARCHER JUST STARTING OUT? ...Join a club and search out the guy or gal that impresses you and bug them for knowledge.

STYLE/S OF SHOOTING THROUGHOUT YOUR CAREER? I have run the gauntlet, but I am a finger shooter and that's who I am, whether its compound or recurve

ARROW PREFERENCE (CARBON, ALUM, ALLOY)? No preference. Just one that flies well and hits where I want.

DO YOU HUNT? Yes, but I have had to slow down. Doc told me I had two heart attacks. I still am active, and I hope to stay that way.

HUNTING COMMUNITY NEWS

BOWHUNTER EDUCATION: Annette Crews

September is finally here! You've been practicing all summer, gathering equipment, checking maps, scouting, and working out to get in shape! With all things in order how about a hunting plan! I just plan to hunt you say? So the hunting plan isn't so much for you, it's for those you leave behind, at home. It's pretty simple and only takes a few minutes to fill out. We'll make this document available on the WSAA website www.WashingtonArchery.org in the Hunting Committee section of The Forum so you can download and print.

One Class left this year: November 5 & 6, Issaquah Sportsmen's Club: Contact Alan Jones, 425-883-3040
alanbjones@frontier.com

HUNTING PLAN

Complete this form before you leave and give it to a reliable person, so they can give it to authorities in the case you don't return as scheduled. A word of **caution: If you are delayed and it is not an emergency make sure you notify this person to avoid an unnecessary search.**

HUNTING VP: Ren Sarns

Well the month of September is upon us and hunting season is starting for us Bowhunters. I hope that everyone has a great time in the woods with friends and family. The WDFW is currently holding meetings in regards to the season setting process for the next three seasons, and by the time you get this some of those meetings will have already been held, however the opportunity to get your word heard by the Commission is still available, and I encourage you to have your voice heard! Since some of the meetings listed below will be happening before you get this Quiver an email is being sent out to members of the dates, times and places the public meetings will be held so we can get "our" collective voices heard.

I attended the Archery Coalition meeting on 10 August with the members from not only WSAA but with the Traditional Bowhunters of Washington and Washington State Bowhunters. This Coalition meets quarterly if possible to discuss hunting related issues within our State and to come to an agreement to address these issues as a united "Archery Voice" with the WDFW. Items discussed during this meeting were the WDFW's season setting process which will impact our hunting opportunities for the next three years. We developed three major objectives to try to achieve during this process. They are:

- 1) Re-establish our early elk season to our original dates of 8-21 September, regaining the one day we lost and stop the rotating starting date which is currently set as the Tuesday after Labor Day. With the current starting date we will continue to be pushed farther away from the elk rut over the next few years.
- 2) At the recent GMAC (Game Management Advisory Council) meeting (June 18 in Cle Elum) the WDFW is proposing to eliminate our late archery hunt in the Swakane unit (GMU 250). The reasons they stated were overcrowding of the GMU, and meet management objectives of 25 bucks to 100 doe ratio. Our proposal is to expand our opportunities in the 200 GMU's to eliminate overcrowding in this unit.
 - A) A couple of facts to help you discuss this with the WDFW: Archers had only 60 more hunters than Modern Firearm did in 2010. Archers have less impact on the resident herd as during the late season we are more likely to be harvesting migrating mule deer. Our success ratio was lower than Modern Firearm hunters.
- 3) Regain our early deer season dates, as most of you are aware we lost the last week of September for our early deer season. We would like to get that last week back in the GMU's that do not have a "Special Elk permit" hunt going on during that last week. Hopefully that would reopen the Okanagon, Islands and a few other GMU's for Bowhunters. A valid point is that most Bowhunters will go to a GMU for early Elk season, yet return to their home GMU to hunt deer after elk season; that is no longer available. Once again taking away bowhunter opportunity, and with the last week given back to us, might just help alleviate overcrowding during the late season that the WDFW has used to try to close certain GMU's.

Below is the information regarding the public meetings the WDFW will be holding over the next few months. Please try to attend as the more people we can get to sit in the seats and voice our concerns and wishes, the better chance we have of gaining bowhunter opportunity. If you have any questions please contact me,

Public Meetings:

Western Washington:

August 22 – Federal Way Federal Way Community Center 876 South 333rd Street Federal Way, WA Alder & Birch Meeting rooms

August 23 – Centralia Edison Place Event Center 201 North Rock Street Centralia, WA Meeting will take place in the Edison Room

Eastern Washington:

August 24 – Spokane The Lincoln Center 1316 North Lincoln Street Spokane, WA Meeting will be held in the Monroe Ballroom

August 25 – Yakima Clarion Hotel & Conference Center 1507 North First Street Yakima, WA Selah-Wapato meeting rooms.

Phase 2 - Developing Recommendations: October 2011 – April 2012

(Dates below are preliminary, final dates available in October)

Public Comment Period on specific rule proposals: January 3-31, 2012

- After the public meetings are held, Department staff will develop recommendations for consideration by the Fish and Wildlife Commission in March and April 2012. These recommendations will be based on the biological needs of a species and information collected during the public meetings.

Commission Meetings:

- March 2012 (public input accepted)
- April 2012 (*Fish and Wildlife Commission decides on and adopts rule proposals*)

Once again, I hope to hear a lot of success stories, and enjoy the time in the field with your friends and family!

Skookum Archers: Club News

Cancer Shoot Cancelled

Due to unavoidable circumstances, the Cancer Shoot that was scheduled for Oct. 1 has been cancelled. This is a great shoot for a great cause, if someone wants to take it on next year as organizer, please contact Jerri Wood, 425-3222-1114 (jerriwood@cancer.org) at the Cancer Society to get the ball rolling. She'll put you in contact with someone at the Tacoma Cancer Society who would be the main contact going forward for this shoot.

Mike Ros and Steve Coleman Leaving the State

Skookum loses two of its and the state's biggest archery proponents this summer. Mike Ros served as the state's US Archery coordinator for WSAA, as a JOAD coach for the Skookum Rangers, and as Treasurer for Skookum Archers. Mike was a pleasure to shoot with and many of us will miss him for that alone. Please wish Mike well in his future endeavors in Pennsylvania - and hopefully some of us will meet up with him at a tournament here and there!

Steve Coleman singlehandedly advanced archery in this area by constantly working in the background (mostly) to "make things happen". Among many other things, he offered several Intermediate Instructor Certification classes in the past year, planting the seeds to grow archery even more after he moves away. He always bends over backwards to coach fellow archers, always thinking of ideas on how to "get things done" at Skookum, and often "getting them done" himself. He will be missed, but somehow I think his influence still may be felt thanks to the inter-web-computer-net. Please wish Steve well as he starts his new life in South Carolina!

Thank you both for all you've done for Skookum, the state archery organization, and archery in general. You will be missed!

Below: Skookum Members and Friends gather to say goodbye

"Call of the Elk" in Orting Red Hat Days Parade

Skookum Archers has been entered in the Orting Red Hat Days parade. The Red Hat Days is a celebration of hunting that has been going on since 1950. Our entry will consist of a group of hunters - all ages and sizes - dressed in camo, carrying bows, the Skookum Banner out front, and callers calling elk as we go. We hope to have some elk represented too - either as a 3D being towed or perhaps costumes...maybe even a couple of large dogs with antlers..... The parade is October 1 at 1:30 PM. It would be great if some of the other archery clubs also made a showing - let's show them it's not all firearms out there!!

CLUB AND SHOP NEWS ... NOTICES ... LETTERS

GRAYS HARBOR

BOWMEN: Marked 3-D

Grays Harbor Bowmen of Aberdeen hosted our first Marked Distance 3-D tournament on the weekend of 23-24 July 2011. Format for the event included 42 targets each day, with two arrows shot at each target, scoring 11 points for the colored dot, 10 points for a vital hit, and 8 points anywhere on target, and both arrows count for a 22 points possible on each target, maximum possible total score for the two days 1848.

After a slightly foggy start Saturday, weather for the weekend was just beautiful, with WARM temperatures and crystal blue cloudless skies. About 40 archers turned out for the event, and ALL reported having a great time, so we will be sure to schedule another marked 3-D next year.

There were some close rivalries and fine scores achieved. High scorer was Justin Hill with 1802. The winners were:

Master Senior Male Barebow

1st John Finsterbusch 1251

Master Senior Male Freestyle Limited

1st Larry Ramsey 1538

2nd TC Parker 1301

Senior Male Traditional

1st Steve McClary 954

Senior Male Bowhunter Freestyle

1st David Brandt 1592

Senior Male Freestyle

1st Darrell Miller 1500

2nd Steve Love 1494

Senior Female Freestyle Limited

1st Linda Parker 933

Senior Female Bowhunter Freestyle

1st Priscilla Warmbo 1237

2nd Peggy Lagrone 897

Adult Female Freestyle

1st Lisa O'Donnell 1680

Adult Female Bowhunter Freestyle

1st Candace Shain 1671

2nd Cheryl Peterson 1488

3rd Teresa King 1451

Adult Male Bowhunter Freestyle

1st Carter Dillon 1773

2nd Dan Peterson 1754

3rd Rick Parker 1748

Adult Male Freestyle

1st Justin Hill 1802

2nd Butch O'Donnell 1749

3rd Jason Hill 1676

That was our last event of the year, as we change focus to bowhunting for the Archery Deer and Elk seasons. We will start an indoor league with practice in November, scoring starts first Tuesday in December at 6:30 PM. The six-week league runs through the end of January.

KBH ARCHERS: News.

The Spring Fling, at KBH, had just a couple short of one hundred shooters. The weather was real nice with the following individuals winning their divisions. Maliki Malone and Hannan Peek (Youth BHFS), Jack Bradley (YA FSL), Gavin LeFave (YA BHFS), Jake Adams (Traditional), Walt Komizeski (Trad SR), Gary Mueller (BHFS SR), Debbie Krause (BHFS F), Vicky Reed (FS F), Katie Selbig (BHFS F), Merl Reed (BHFS), Dave Robertson (Longbow), Buz Runyan (BB). In Cub and Sub Cub we had the following: Giovanni Scharf, Jon Magers Jr., John Adams and Brandon Hasel.

We did have Jose Domiques win one of the raffle prizes (bow press). If he will contact us, the person that donated that prize has some other attachments for it.

It's been a good year for KBH and their shoots. Next up is hunting season and the indoor leagues. I'd like to wish all the hunters a safe and enjoyable season.

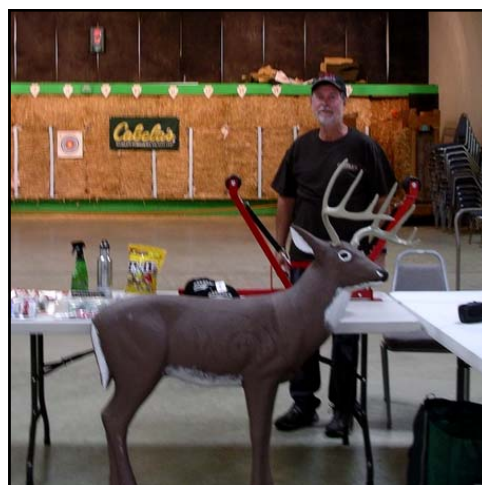

PACIFIC NORTHWEST: Scheduled PNAA

Mark your calendars. This year's Pacific Northwest Archery Association (PNAA) tournament is slated for 3 & 4 September 2011 in Burnaby, BC. The PNAA, one of the oldest in the nation, has historically rotated among clubs in Oregon, Washington, British Columbia and Idaho. After a hiatus of several years, the PNAA was renewed at WCW in Kenmore in 2010, where archers selected British Columbia as the venue 2011.

The Burnaby range has fixed-bales in a park-like setting (because it's in a park) in the eastern suburbs of Vancouver, a relatively short distance from the Canadian-US Border.

For info contact Lytton Smith, lyttonsmith@comcast.net, 206-372-4087. The entry form containing contact and tournament information will be posted on the WSAA Forum, in the Tournament section.

WSAA Big Game Awards

The Washington State Archery Association sponsors a Big Game Award program to recognize its member archers who take big game animals with the bow and arrow. Big game animals considered for this award are listed in the box below. In addition, turkeys and bobcats taken in Washington also are eligible for this award.

The award consists of a yew wood "stump" mounted on a black, bell-shaped base, commonly called the "stump award". The recipient's name is engraved on a silver-like plate attached to the base, and a specially prepared broadhead is added to the stump, indicating the animals taken. Subsequent awards consist of additional broadheads.

To be eligible for these awards, you must have been a member of WSAA at the time the animal was taken, and you will need to apply for the award using the application form printed in this issue (or a copy thereof). The form includes instructions for submission.

WSAA would like to thank Del-Ma Archery for their support of this award by subsidizing the broadheads.

Big Game Trophy Animals

Alaska Brown Bear
Black Bear
Grizzly Bear
Bison
Barren Ground Caribou
Mountain Caribou
Quebec Labrador Caribou
Woodland Caribou
Cougar
Blacktail Deer
Coues Deer
Mule Deer
Whitetail Deer
Roosevelt Elk
Yellowstone Elk
Rocky Mountain Goat
Alaska Moose
Canada Moose
Wyoming Moose
Pronghorn
Bighorn Sheep
Dall Sheep
Desert Sheep
Stone Sheep

Fair Chase Rules

Animals taken under the following conditions will not be considered for WSAA Big Game Awards or for entry into the Washington State Records System:

1. "Yarded" in deep snow
2. Helpless in water
3. Helpless on ice
4. Helpless in a trap
5. While confined behind fences as on a game farm, etc.
6. In defiance of game laws or out of season
7. By "jacklighting" / shining at night
8. From a power vehicle or powerboat
9. Any other method considered by WSAA Hunting Committee as unsportsperson like.

WSAA Big Bull Award

This trophy, donated by the Grays Harbor Bowmen of Aberdeen, is a perpetual challenge trophy. It is awarded annually to the WSAA member taking the largest bull elk, by Pope and Young scoring, anywhere in North America. Ranking is based on the elk that comes closest to or exceeds, on a percentage basis, the state record for the respective species, i.e. Yellowstone or Roosevelt. It is not required that the animal meets either WSAA or Pope and Young minimum standard to be eligible.

To be eligible for this award, you must have been a WSAA member at the time the animal was taken, and will need to apply for the award using the form appearing in this issue (or a copy thereof). You also are required to submit a copy of the scoring form, properly filled out and signed by an official measurer. It is required that your bull be scored officially after the required 60-day drying period has elapsed.

Applications for this award must be sent to the person indicated on the form.

WSAA Big Buck Award

This trophy, donated by Martin Archery of Walla Walla in 1972, is a perpetual challenge trophy. It is awarded to the WSAA member taking the largest buck deer, by Pope and young scoring, in the state of Washington. Ranking is based on the deer that comes closest to or exceeds, on a percentage basis, the state record for the respected species, i.e. Mule Deer, Blacktail Deer, or Whitetail Deer. It is required that the animal meets either WSAA or Pope and Young minimum standards to be eligible.

To be eligible for this award, you must have been a WSAA member at the time the animal was taken, and will need to apply for this award using the form appearing in this issue (or a copy thereof). You also are required to submit a copy of the scoring form, properly filled out and signed by an official measurer. It is required that your buck be scored officially after the required 60-day drying period has elapsed.

Applications for this award must be sent to the person indicated on the form.
